**Welcome to the cyber bivouac of the ACWA  
"Palmetto Guard".**

**We are currently under construction and moving  
but are working hard to gather as much information  
as we can so that those of us who currently  
participate in this great hobby, can expand our  
knowledge and improve our impressions as well as  
make available information for those who are  
interested in joining.**

**As we build this site, if you have any  
comments on some thing that you see here,  
things you would like to add, change, or  
remove, please let us know, we thrive on  
your comments!**

**Thanks and enjoy!**
